

IKEA

A microwave is a useful companion to your regular oven or range, making every day cooking easier and faster. Choose a microwave with an integrated extractor fan that gives you two functions in one, or a microwave you can combine with a regular oven in AKURUM high cabinet. Which microwave suits your needs and your kitchen best?

With an automatic reheat function, you can choose from a number of preset categories (soup/sauce, casserole, baked foods, dinner plate single-serving size and pizza) and the microwave automatically adjusts.

- Removable for cleaning.
- 400 CFM, ducted
- 6.9 sones using 6" round ventilation.
- 2 bulbs included; gives effective light over the

Microwave Model Comparison Chart

MODELS	FUNCTIONS	Type of micro	Number of power levels	Output power, Watts	Capacity, Cu. ft./size of turntable "	Extraction rate in exhausting mode (cfm)
