

Prevention is the **key** to kitchen safety.

Follow the safety tips listed below to protect yourself and others who you live with:

Kitchen Safety:

1. Never leave cooking unattended. If you must leave the kitchen, turn off the appliance.
2. Always keep a large lid near the stove when you are cooking and if the pot catches fire, slide the lid over the pot and turn off the stove.
3. Unplug kettles, frying pans and other appliances when not in use.
4. Always wear short or tight fitting sleeves while cooking.
5. Never attempt to carry a burning pot or pan.
6. Never use water on a grease fire. Use a portable fire extinguisher. Look at the instruction label on the provided fire extinguisher to learn how to use the extinguisher, so that if needed, you are prepared. There is a portable fire extinguisher located in every kitchen of the properties managed by Wolverine Property Management.

- **In addition please read the provided operator manual for each fire extinguisher located in the Student Manual section of our website.**

Kitchen Cleanliness:

1. If you spill it – Clean it up
2. The following needs to be kept clean:
 - Fridge
 - Stove
 - Microwave
 - Floors
 - Tables
 - Counter Tops
 - Dishes need to be washed regularly
