

GUARANTOR PORTAL

PAYMENT

We are currently working on creating a payment option for the GUARANTOR PORTAL.

In the mean-time, all payments made THROUGH THE PORTAL will have to be done from the TENANT PORTAL.

IMPORTANT: The notification tab on the left side of the screen (see red arrow) is notifying you about our Auto-Payment option. It is a safe, secure and worry free way to make rental payments each month.

Auto-payment automatically takes out the owing amount on the **1st of each month** and can be cancelled at any time.

To set up auto-payment you must be in the TENANT PORTAL.

Not the GUARANTOR PORTAL.
