

## Insurance Information

As per the lease agreement we require each of our tenants to obtain tenant insurance.

We offer a third party insurance provider to give you coverage, which can be signed up for through your online tenant portal.

If you already have an insurance provider you may get coverage through them so long as you provide us with proof of coverage.

### Singing Up

- You may sign up for insurance coverage through our online portal
- Please click on the 'Provide a Quote' button and enter the information needed
- It will require a credit/debit card

### Payments

- Your coverage is to be paid on a monthly basis
- It is the TENANTS responsibility to make sure that they set-up insurance and pay it every month
- The portal's insurance provider will automatically debit your account every month for this payment

### Coverage

- It is the TENANTS responsibility to make sure that they are covered for the duration of their lease term
- The portal will require proof of coverage
  - If the TENANT signs up for coverage through the portal it will automatically save the documents
  - If the TENANT gets coverage from another insurance provider they must email us at [info@WovlerineManagement.ca](mailto:info@WovlerineManagement.ca) with proof of coverage
